

**ADDENDUM 2**  
**To Request for Proposal HTH 440-10-02**  
**Issued December 24, 2004**

*Section 3, III. A. Proposed Staffing* refers to a Staffing Position Chart (Section 5, Attachment C-2 of this RFP). The form was inadvertently left out of the Request for Proposal. The correct Staffing Position Chart is appended to this addendum as “Attachment 2.” Applicants may make the completed Attachment 2 an attachment to the proposal so it does not count against the maximum two-page limitation for the *Project Organization and Staffing* sub-section.
